Soggy Paws
1148 W Leland Avenue
773.334.7663
www.soggypaws.com

Soggy Paws is grand central for all things canine (and feline!) in Uptown. Soggy Paws offers self serve dog wash, full service grooming, and a great variety of pet products and training classes, but they are so much more than a

pet store! Owners Paul and Kevin have worked hard to create a community space for people and pets, and they go above and beyond to take care of both. Sensitive to the economic clime, they've instituted great discount programs for frequent washers and folks in the hospitality industry. They're also a great resource for everything from pet health care to pet photographers and more! Check out their website for up to date info on pet related events, pet photos, and other resources. And check out their new summer hours. NOW OPEN 7 DAYS A WEEK!
